

INVITATION

December 2nd, 2010

Palais des Académies
1, Rue Ducale – 1000 Brussels

Paul MAGNETTE,
Belgian Minister of Energy,
holding the presidency of the Energy Council
is pleased to invite you to High level event
called “European Energy Vision 2050”.

EUROPEAN ENERGY VISION 2050

Program

Welcome : 13h00 - 13h30

Round table : 13h30 - 16h00

A round table chaired by **Kalypso Nicolaidis**, Professor of International Relations University of Oxford will join together **Günther Oettinger**, European Commissioner of Energy; **Sami Andoura**, Researcher at Notre Europe, **Reinier de Graaf**, OMA Partner and Director of AMO, **Claude Turmes**, Member of the European Parliament, **Paul Magnette**, Chairman of the energy Council of the EU.

The objective of this event is to have an exchange of view on the pathways Europe should take to reach a low carbon society in 2050. The “community of Energy” carried by Notre Europe, “the European low carbon society” written by the OMA (Office of Metropolitan Architecture) and the Commission “Roadmap 2050” will be used as supports for the debates. The different European political actors, the Commission, the Parliament and the Presidency will explain how they want to translate those stakes into political actions.
